

HOUSTON SHOW CHOIR

Community Service Partners

Houston Show Choir is formed FROM the community and sings FOR the community. Our singers feel fortunate to have the opportunity to share their gift of music with others. As time and resources permit, we have been able to perform for a number of worthy causes.

We are looking for Partners to help fund these community service performances that are so rewarding for the recipients (and the singers as

well, if we're honest). Would you contribute **\$150** to help cover the costs of one of these productions? We'll make sure that you get acknowledged for supporting the event – at the show, on our web site, on social media, and in our printed show programs at the end of the season.

If you have a preference, let us know which of these community organizations you would like to support with the gift of a Houston Show Choir performance, or give us new suggestions. (Performances are always subject to scheduling and venue limitations.)
